FUN SUMMER DAYS!

This summer has been packed with many fun filled days for the kids and teens summer programs. Both programs have had many excursions and exciting activities for all kids to enjoy!

The Paiute Teen center is having a wonderful summer going on excursions to Scottsdale Culinary Institute, Paul Mitchell Hair School, SeaLife aquarium at Arizona Mills and much more! They have also hosted the National Guard twice a week to come in and teach the kids team building and how to be positive leaders and role models. Scottsdale Police Crisis Intervention team also comes once a week to have discussion with teens on important life skills. Thank you to Sarah Rivero, Chelo Leyva and Jay Alvarez for making the teen center a really fun and exciting place to be.

The kids summer program is going equally strong. They have gone swimming to McDowell Mountain pool, attended a Daimondbacks game and had fun dress up days such as crazy hair day, pirate day and Character Counts! day. The summer program has 5 rotations throughout the day and each group visits the Sports, Art, Xtreme Zone, Specialty Class and Computer Lab. They also have artist in residence this summer to teach kids drama and dance. Thank you to all the summer recreation staff for making this program a great success!

Paiute staff would also like to thank all 19 Youth Corps Leaders who helped out in the summer program this year. Everyone did an excellent job with their assignments and always helped out where needed. Paiute staff really appreciated the team work and leadership from Youth Corps. Awesome!
